I/WE hereby declare:			
<input type="checkbox"/>	A. That the electronic products identified above were manufactured prior to the date of any applicable electronic product performance standard.  <p style="text-align: right;">Date of Manufacture: _____</p>		
<input checked="" type="checkbox"/>	B. That the electronic products identified above comply with the performance Standards prescribed in Food and Drug Administration Rules 21 CFR 1010 which are applicable at date of manufacture and that a certificate in the form of a tag or label to this effect is affixed to each product.		
<input type="checkbox"/>	C. That the electronic products identified above do not comply with the performance standards prescribed in Food and Drug Administration Rules 21 CFR 1010 but are being imported for the purpose of research, investigations, studies, demonstrations or training. An exception for these products has been or will be requested of the Director of the FDA Bureau of Radiological Health in accord with Section 360B (b) (42 U.S.C. 263j) of the Radiation Control for Health and Safety Act. They will not be introduced into commerce, and when their mission is completed they will be destroyed or exported under United States Customs Service supervision.		
<input type="checkbox"/>	D. That the electronic products identified above do not comply with the performance standards prescribed in Food and Drug Administration Rules 21 CFR 1010 but that a timely and adequate petition for permission to bring the product into compliance with the applicable standard has been or will be filed with the Food and Drug Administration in accordance with 21 CFR 100.21. These products will remain under bond and not be introduced into commerce until notification is received from the Food and Drug Administration, that the products are in compliance with applicable standards.
